***Music is a more potent instrument than any other for education. - Plato***

Welcome to the 2023-24 school year! The Summit Music Parents' Association (SMPA) is proud to support our district's Choral, Orchestra, and Band programs.

SMPA provides much-needed financial assistance for workshops, master classes and concerts, and funds the essential purchase of musical instruments and equipment. We provide scholarships to enable all students to participate in music department programming. SMPA supports "move up" and "move down" days for LCJSMS students, marching band performances, and trips to and performances at professional music events. We award college scholarships to SHS seniors recognizing their commitment to SHS music groups.

***SMPA operates solely from the time, talents, and funds provided by families like yours.***

Please consider

- **Contributing** to SMPA at any level
- **Volunteering** for one of SMPA's leadership roles and/or events.

Your gift will directly benefit Summit's students. Donors and Volunteers will be recognized in the spring concert program. Our website, [smpasummit.org](http://smpasummit.org), is your source for **Upcoming Events, Volunteer** opportunities, **SMPA Meetings**, and **Highlights** from our musical groups.

For all the ways you support music in our schools, thank you!

Myrene Reyes, President
