Summer Preparation for Third Grade

Knowing the following will help you get a jump start in third grade!

- Know all addition and subtraction facts from 0 through 20.
- Daily Reading: Read at least 3 books at your level and try to read at least 20 minutes daily.
 - After you finish reading each book, you should be able to answer the following questions:
 - *Who is the author?*
 - *Who were the main characters?*
 - *What was the setting?*
 - *What was the big problem (conflict) of the entire story?*
 - *How did the big problem get solved (resolution)?*
