

2020-2021 DISTRICT GOALS

Summit Public Schools

CULTIVATING A SHARED LOVE OF LEARNING

- **Goal I:** *The Summit Public Schools will utilize parent, staff, and student input to continue to research needs, advance programming and curricula, as well as expand resources to enhance social and emotional learning for all students and staff in grades K-12.*
 - Outcome: To address the social-emotional needs of students and staff that will foster a healthy learning environment.

PURSUING SCHOLARLY EXCELLENCE FOR
EACH DIVERSE LEARNER

- **Goal 2:** *The Summit Public Schools will establish a more global, culturally inclusive instructional program which includes the ongoing development and implementation of anti-bias training for the students and staff, as well as the evaluation and revision of current curricula and programs, as part of a multi-year initiative.*
- Outcome year one: To form a committee of teachers and administrators who will assist with completing curriculum revisions and staff/student training to reduce systemic bias in our instructional program.
 - Through the use of district resources and outside experts

PURSUING SCHOLARLY EXCELLENCE FOR EACH
DIVERSE LEARNER

- **Goal 3:** *All students K-12 will achieve a significant increase in the areas of Mathematics and English Language Arts from their pre-test scores by as much as 15% for the 2020-2021 school year based on the NJSLA standards.*

CULTIVATING A SHARED LOVE OF LEARNING

- **Goal 4:** *The Summit Public Schools will continue to develop our instructional technology framework to provide students with relevant and educationally impactful digital learning resources through a comprehensive training program for teachers.*
 - Outcome: Through a collaboration between our technology department and instructional coaches share and disseminate best practices, tools, and resources with teachers during team meetings that can be used effectively for different platforms of instruction.
