

Summit Public Schools  
Board Goals  
2016-2017  
Mid-Year Review

**GOAL 1:** Increase the number and percentage of students taking SAT and/or ACT year-over-year from 2014-15 to 2015-16, and deliver an increase in average/mean score, and measure participation at the end of the school year. Also, measure the mean Summit High School score of 2015-16 ACT and SAT test takers. And, as a longer term, three-year objective, the district will strive for significant and meaningful improvement in school year 2016-17 over school year 2013-14 in the areas of:

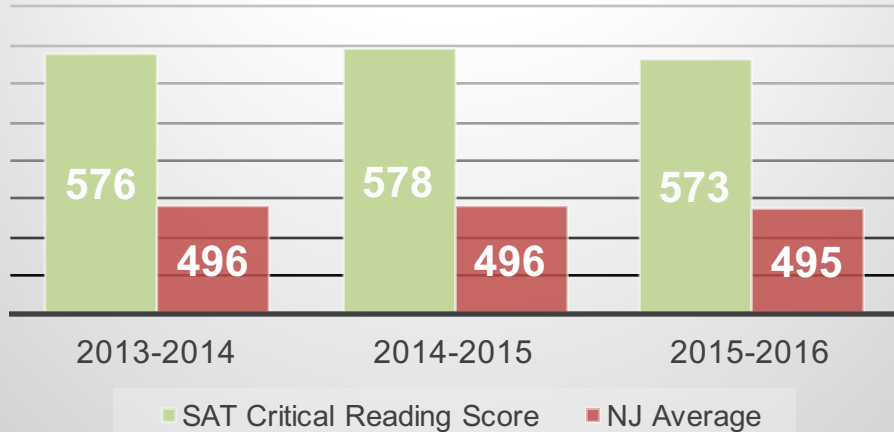

**GOAL 2: (continued from prior year):** Make significant improvements in student academic performance annually, in all grades, from the school year 2013-14 to the school year 2016-17, by ensuring that students meet or exceed academic standards in English, language arts, and mathematics, based on the progression of skills in kindergarten to 12th grade, including the following metrics:

**GOAL 3:** Cultivate the love of learning in students by inspiring teacher through continual professional development provided in the form of a digital resource center that will be updated a minimum of four times a year with up-to-date, research-based, content-specific professional literature. Additionally, the district will provide two professional development opportunities to broaden the understanding of and increase the ability to address students' social and emotional needs.

## Goal 4: Show continuous academic growth and improve student performance in transition grades as measured by IXL.

**Grade 5 Goal: 90%-100%**

**Grade 6 Goal: 85%-100%**
