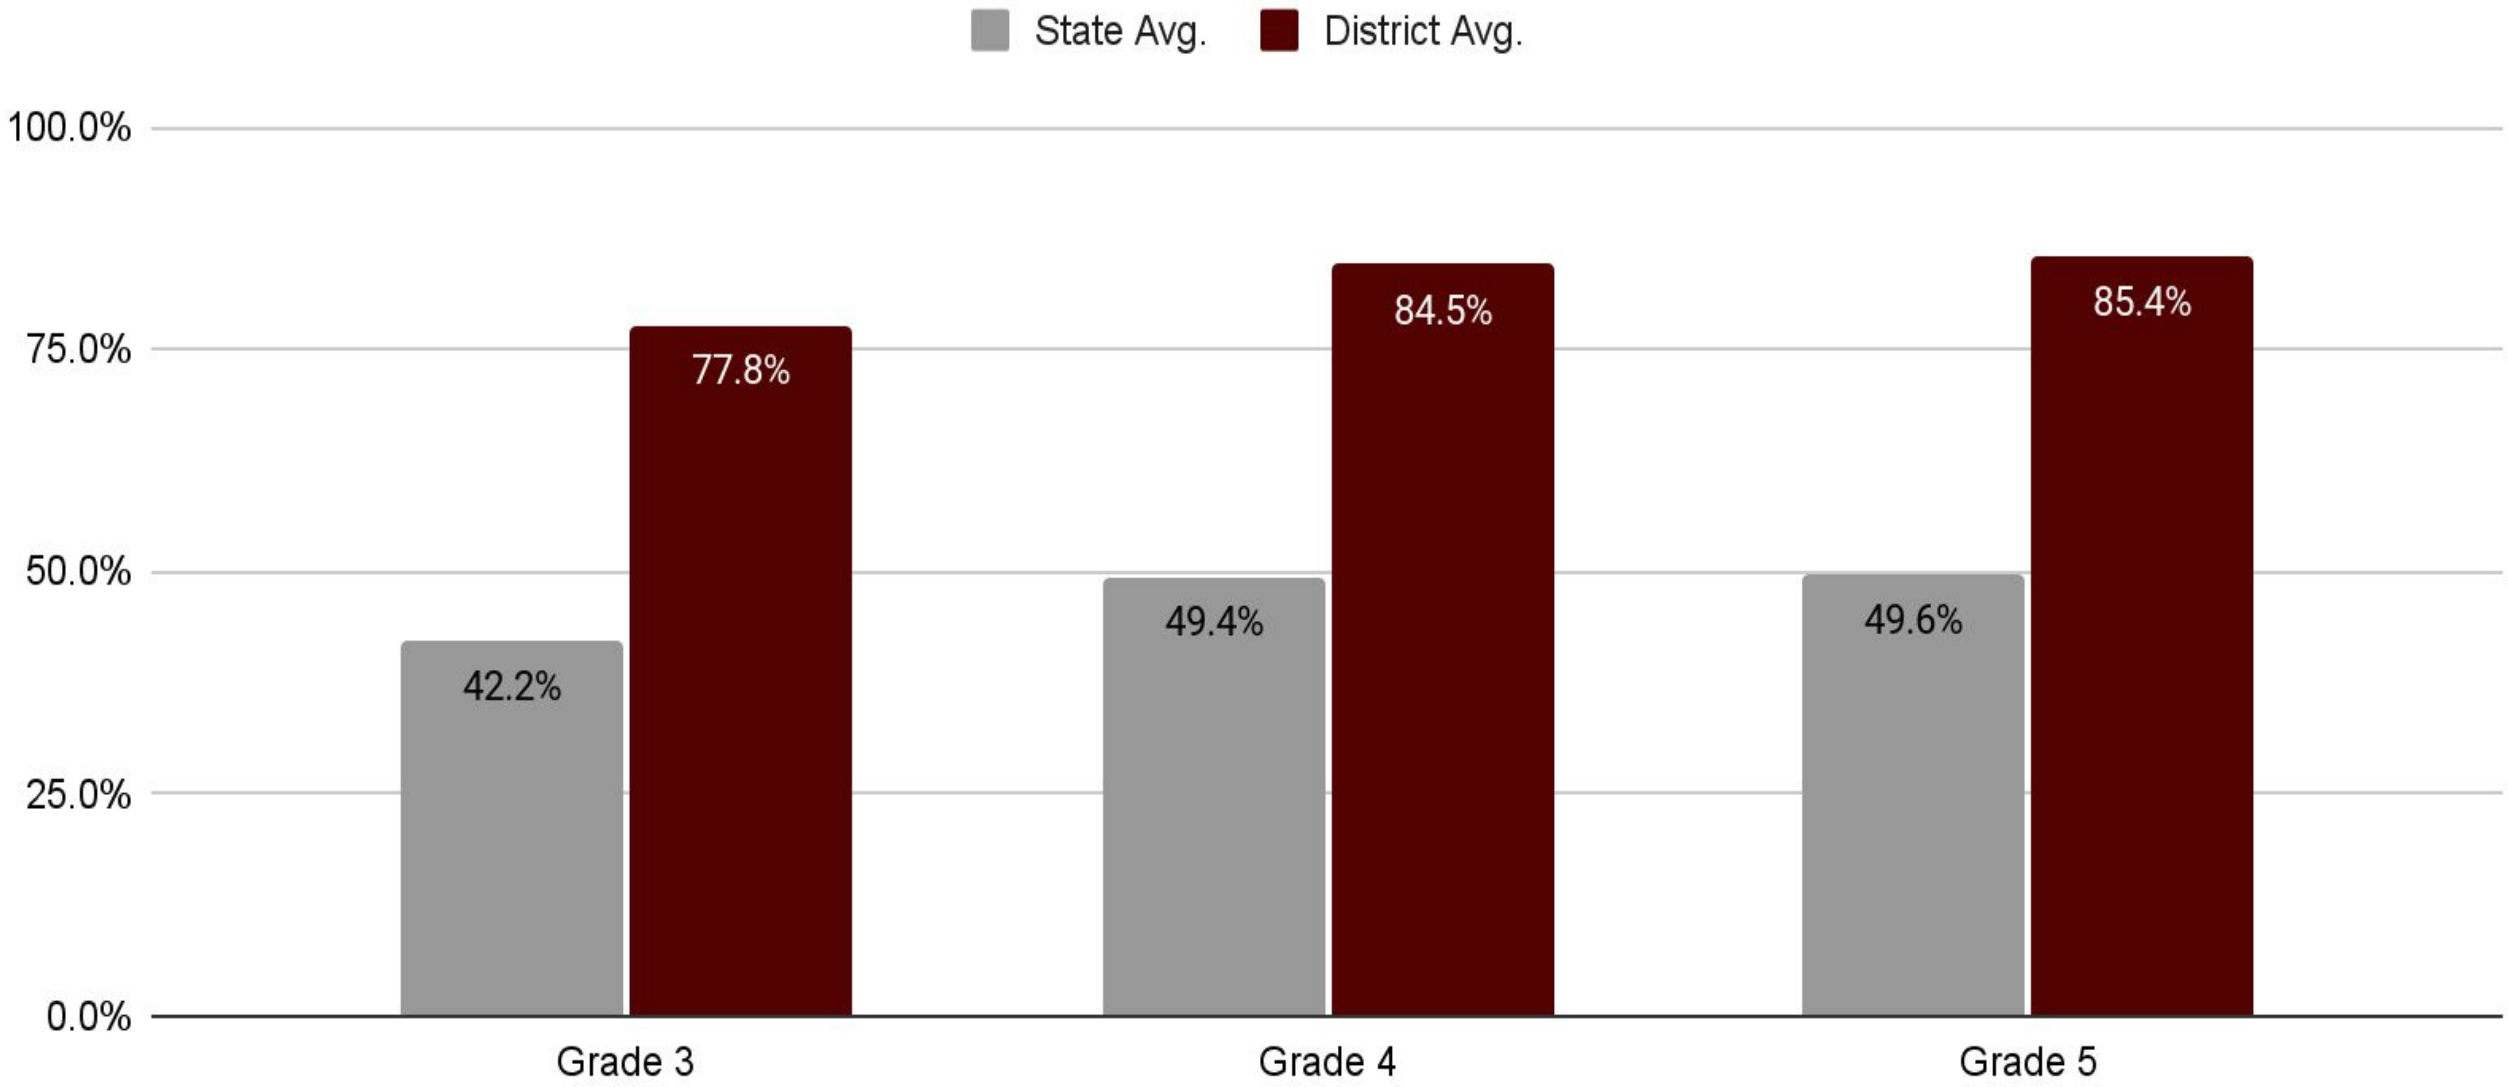
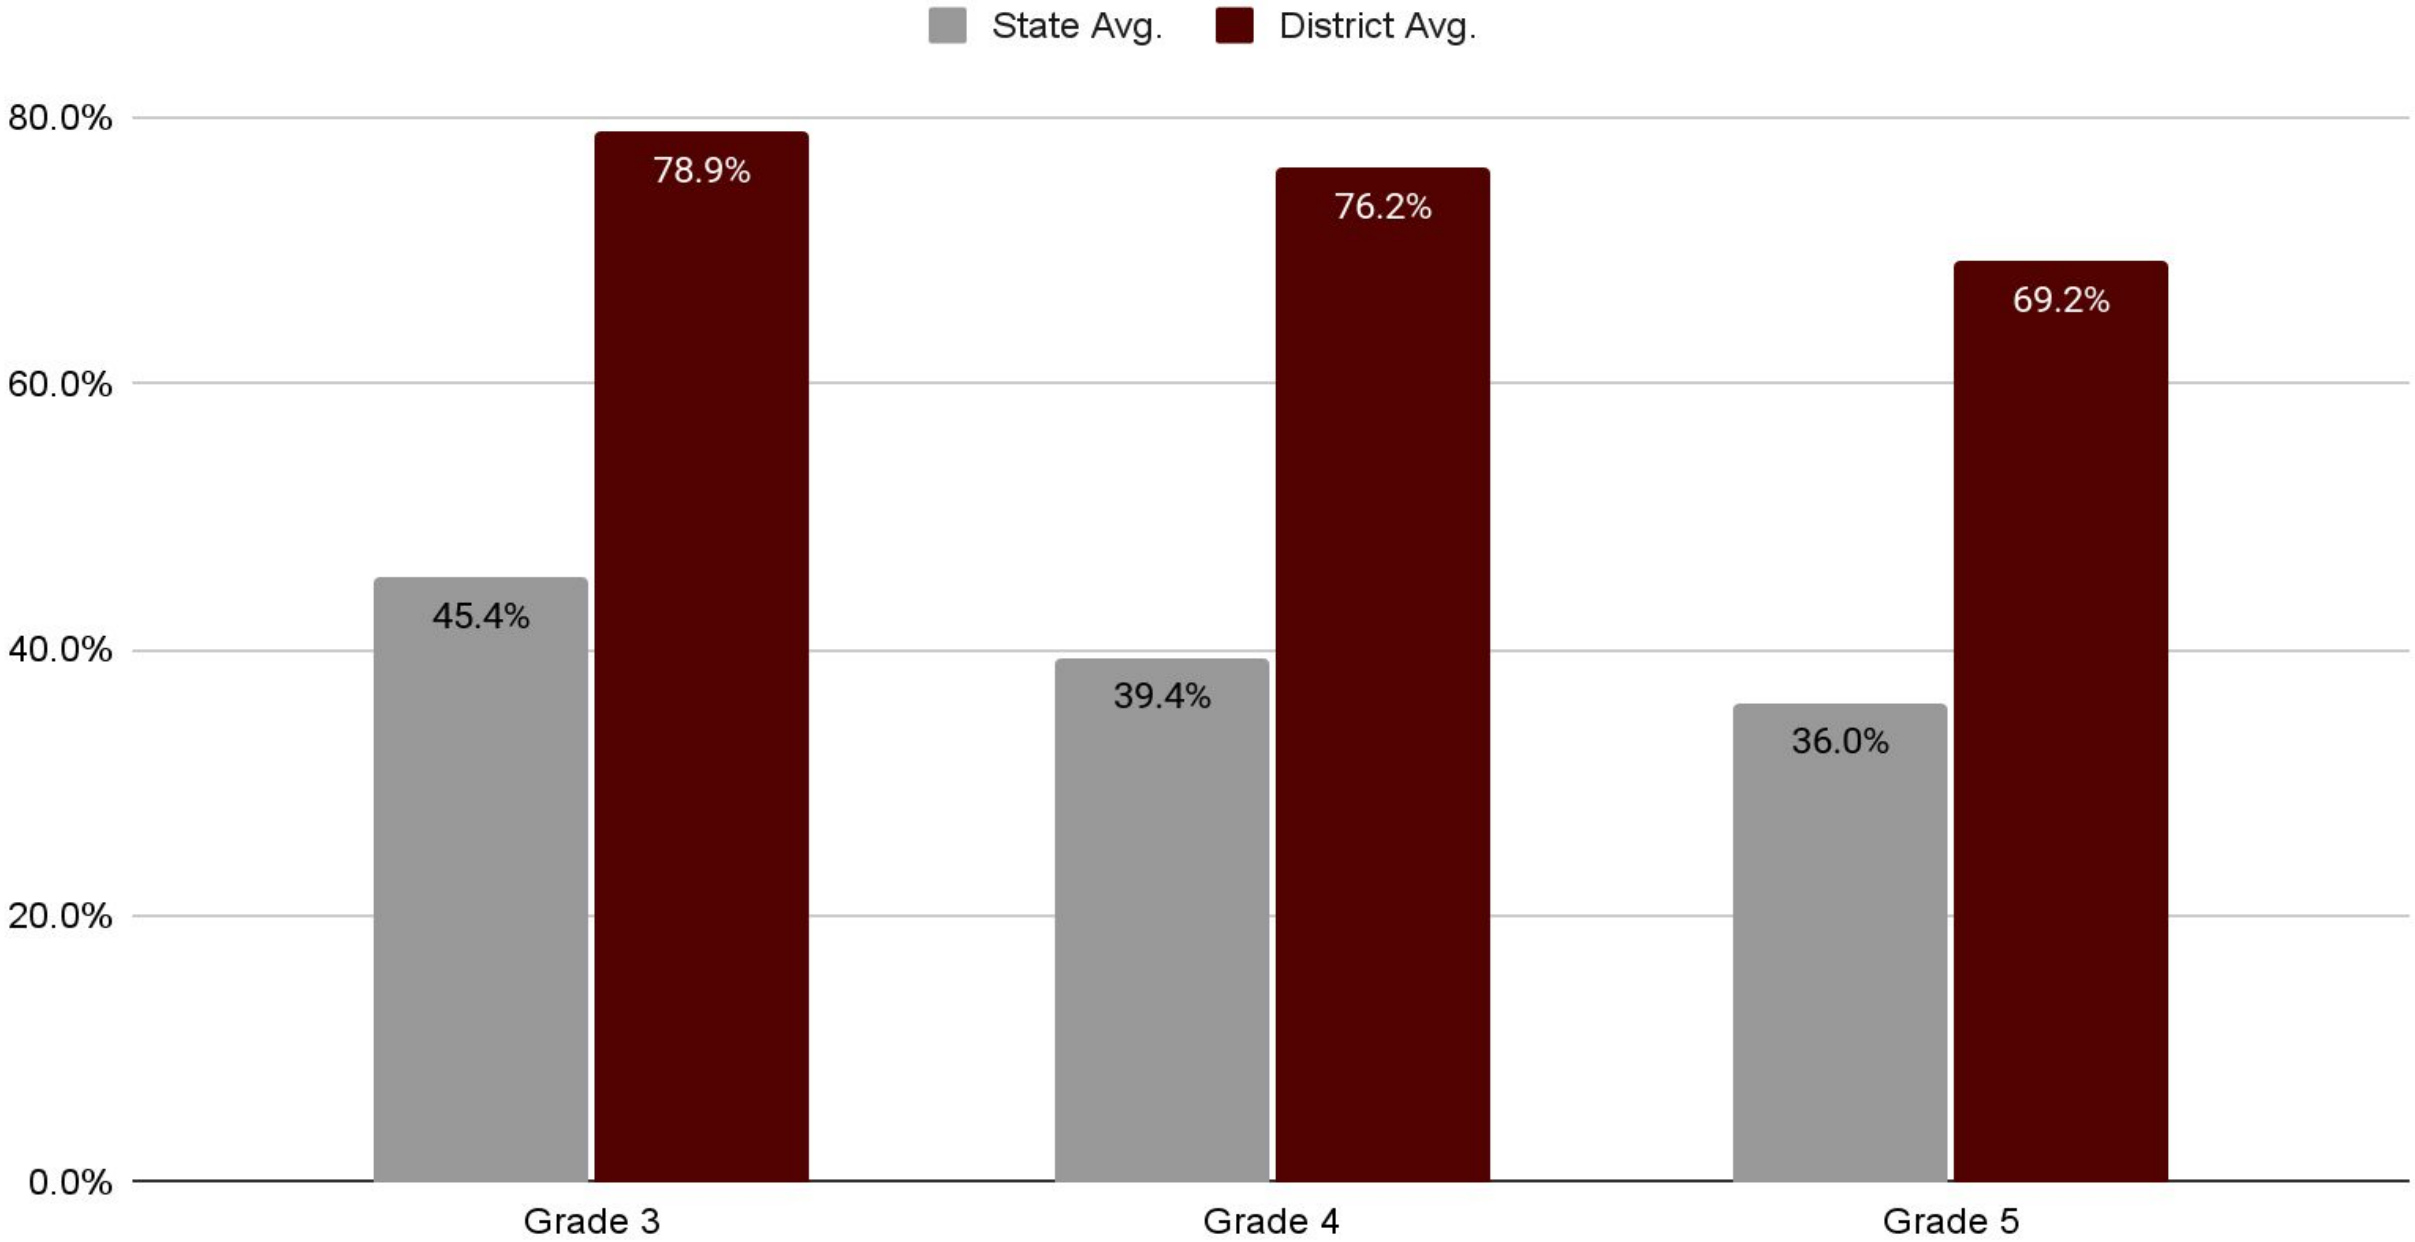
  - Exceeded expectations

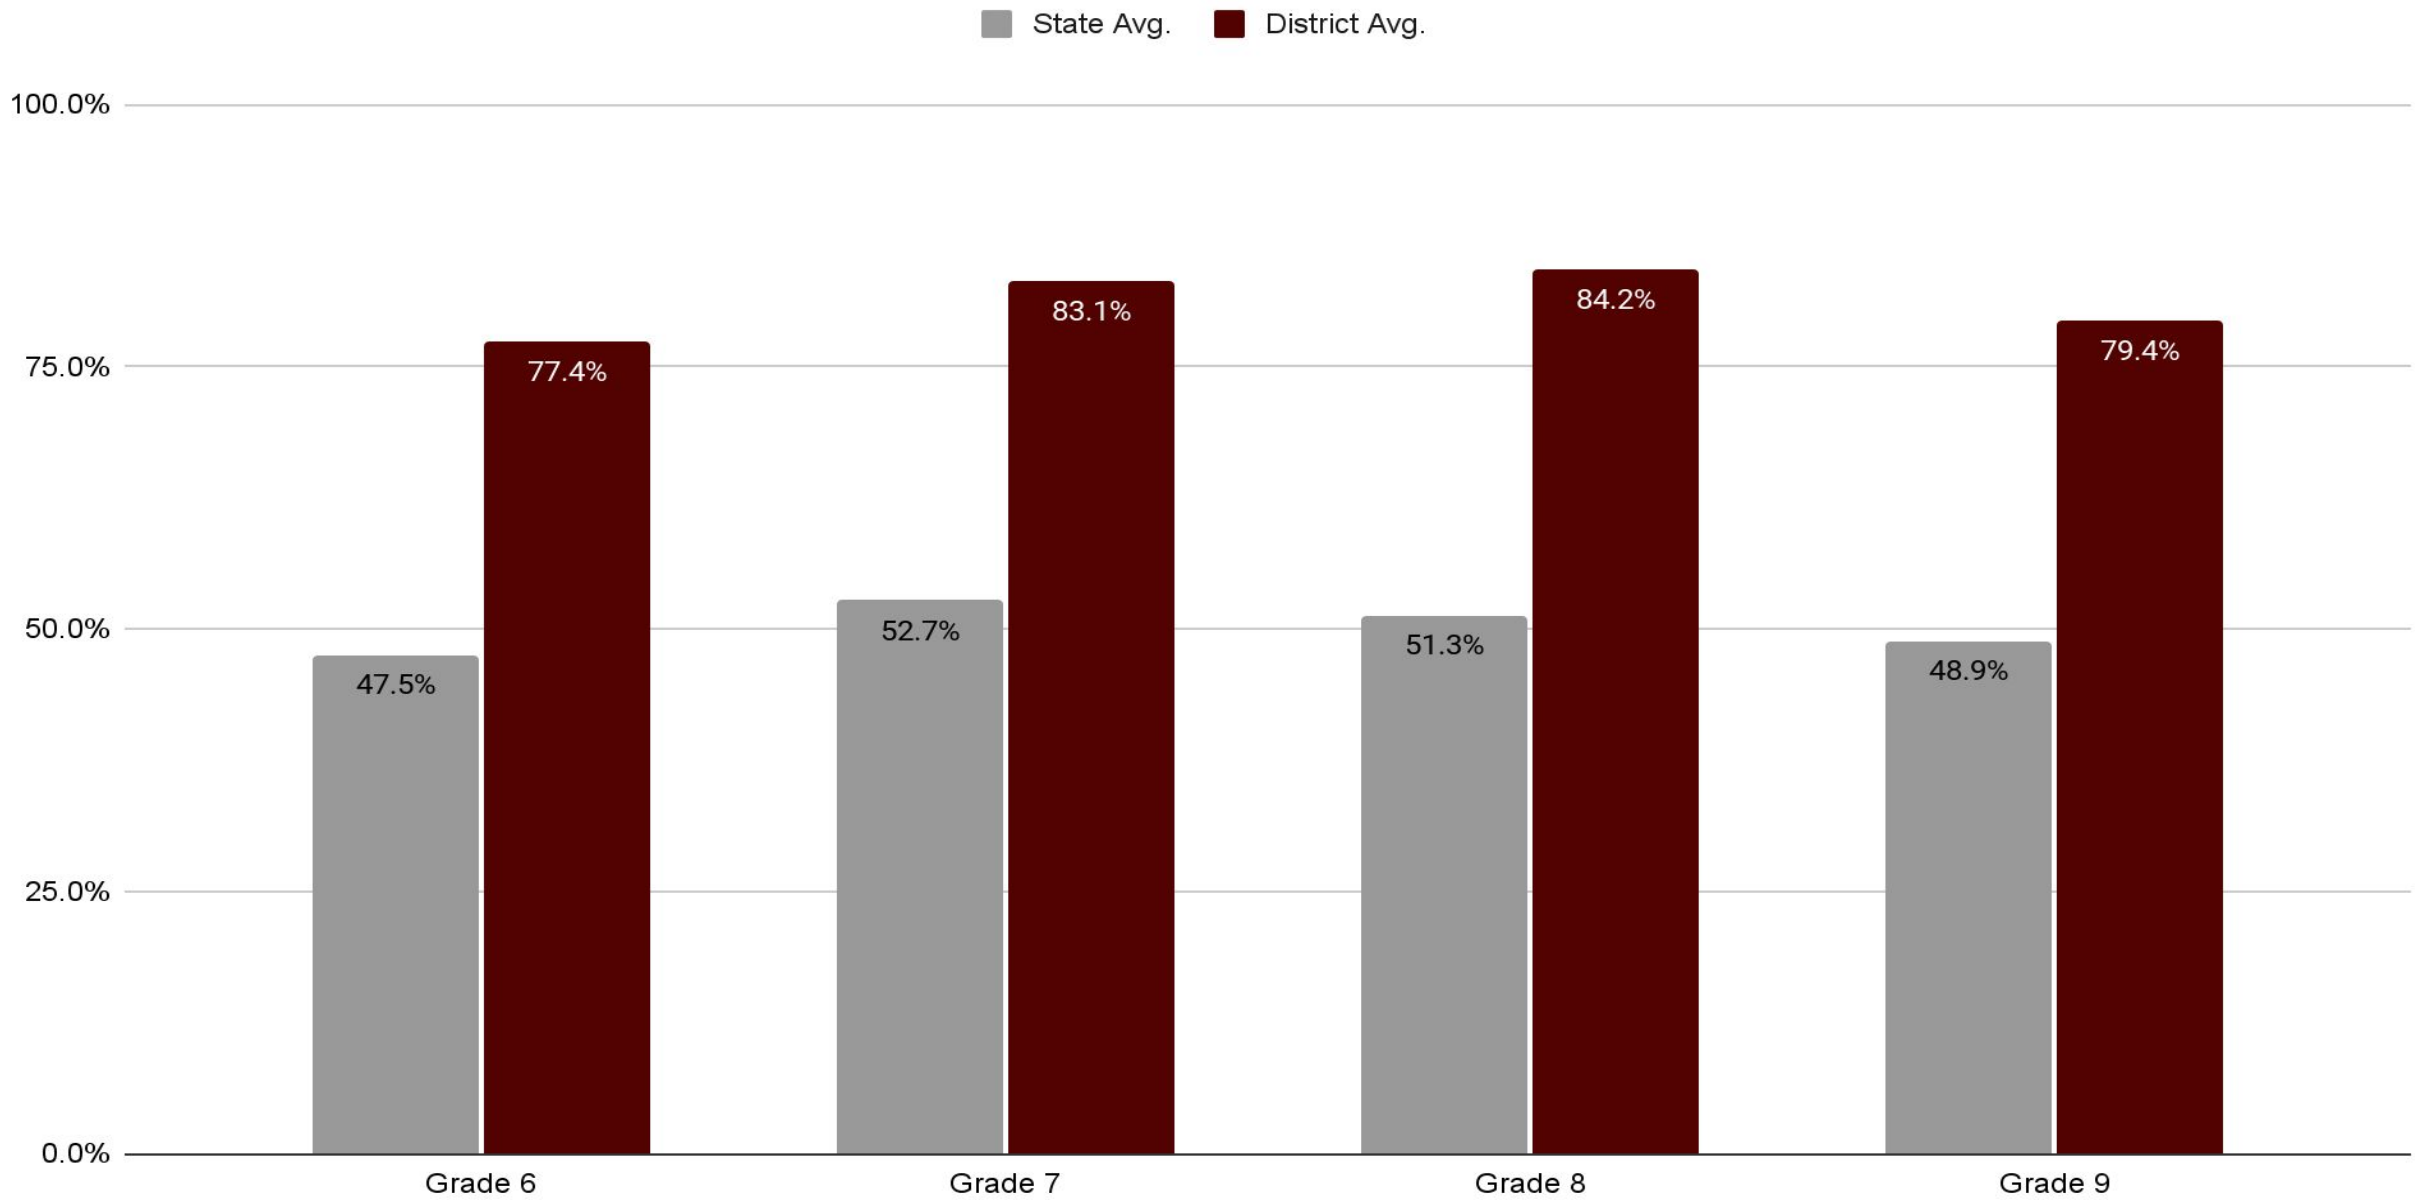
% of students who Met or Exceeded Expectations in English Language Arts Grades 3-5



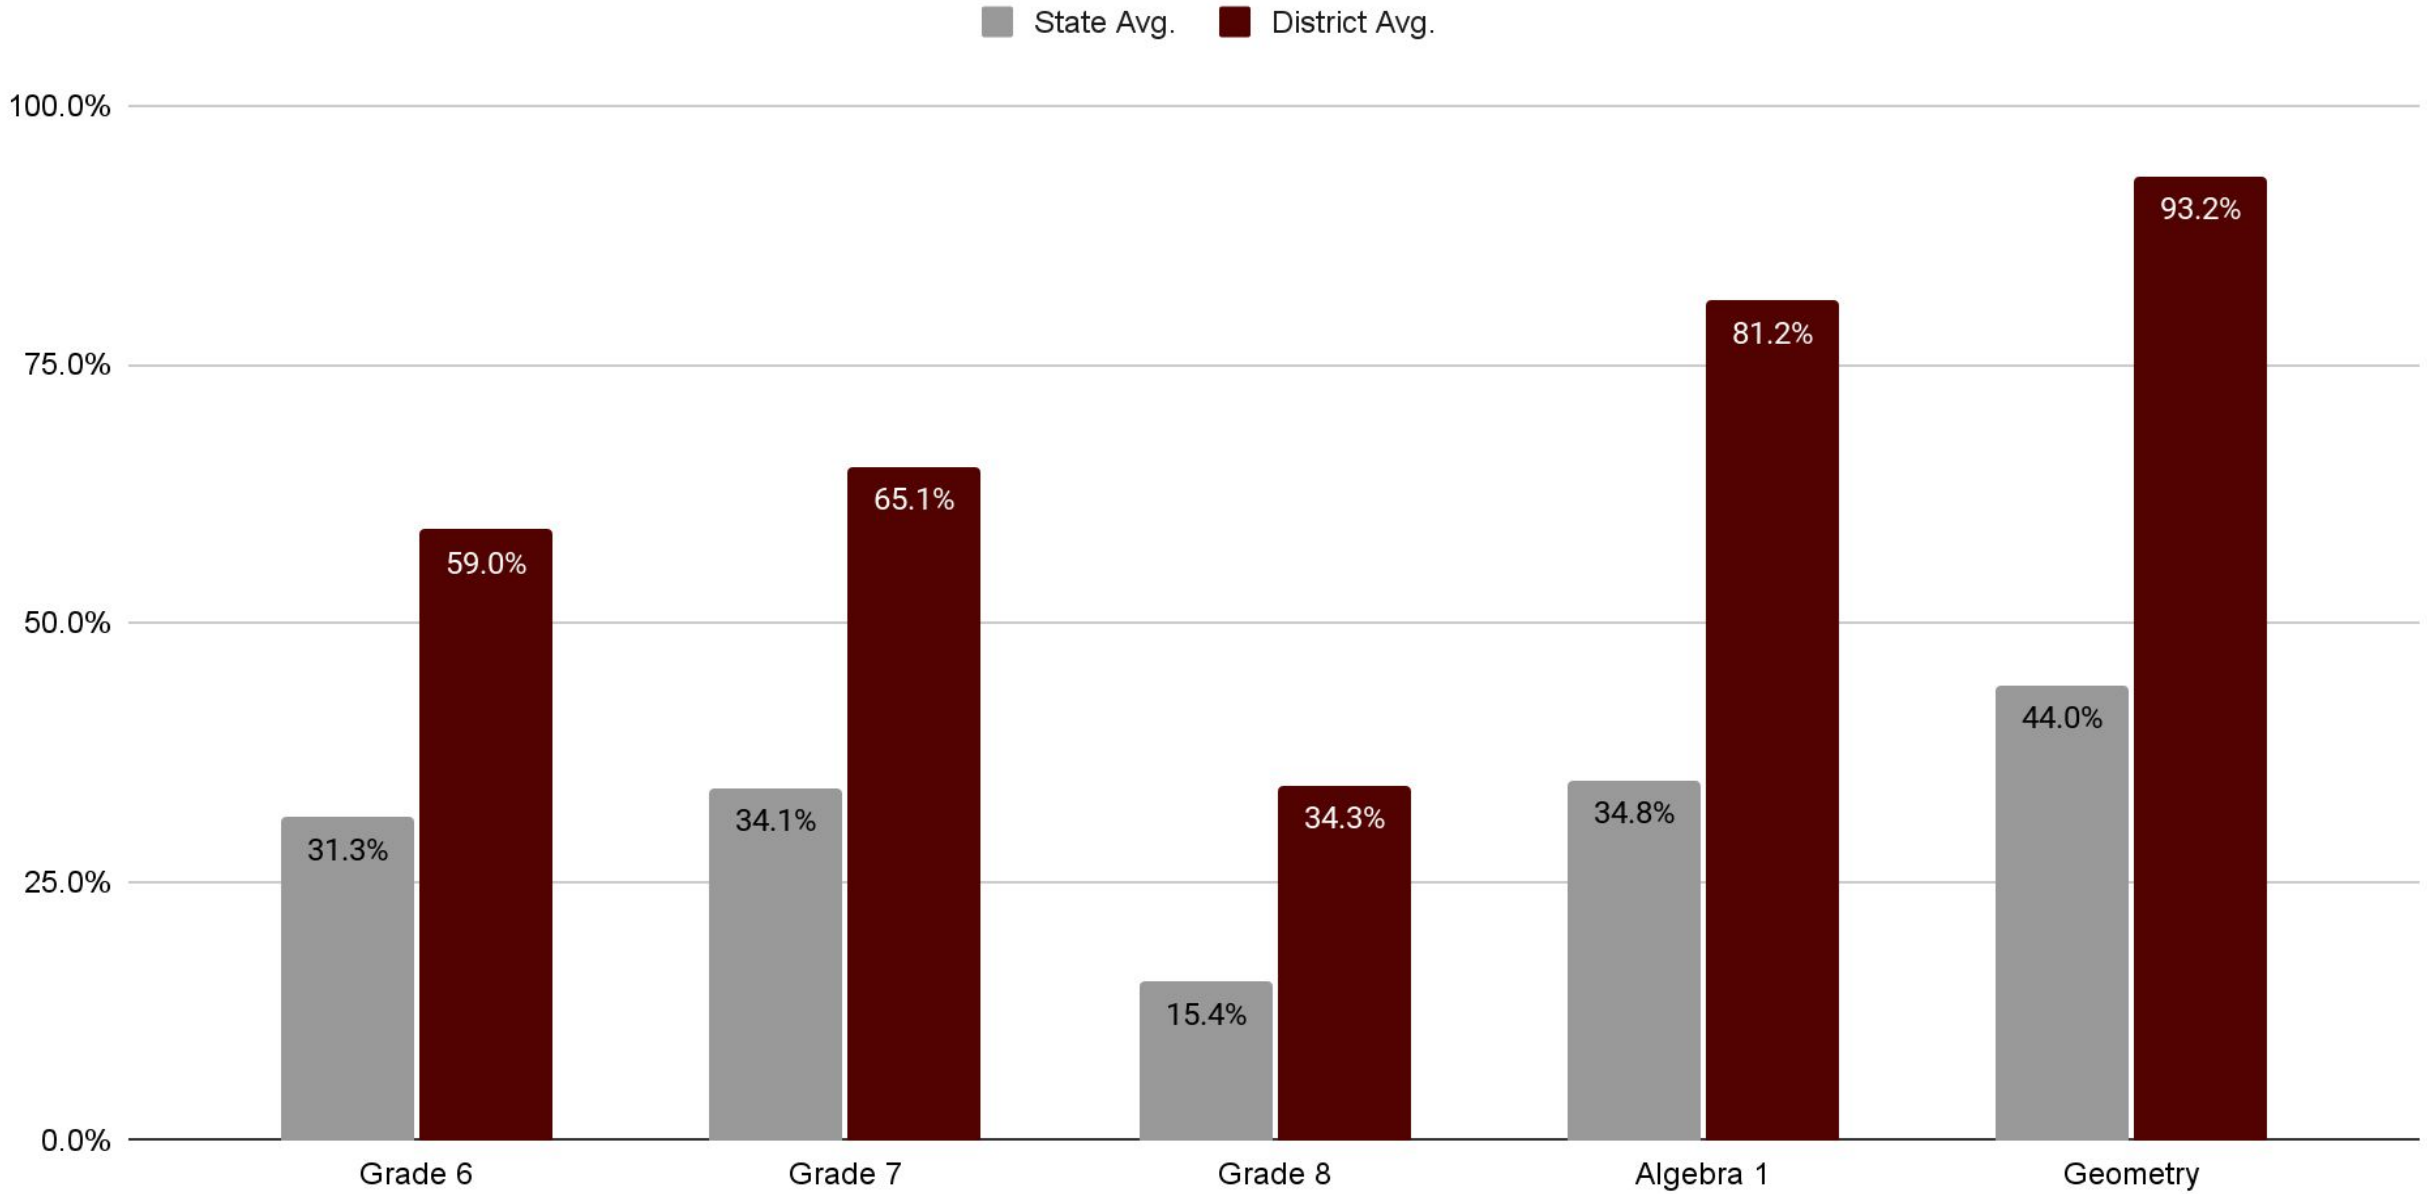
% of students who Met or Exceeded Expectations in Mathematics Grades 3-5



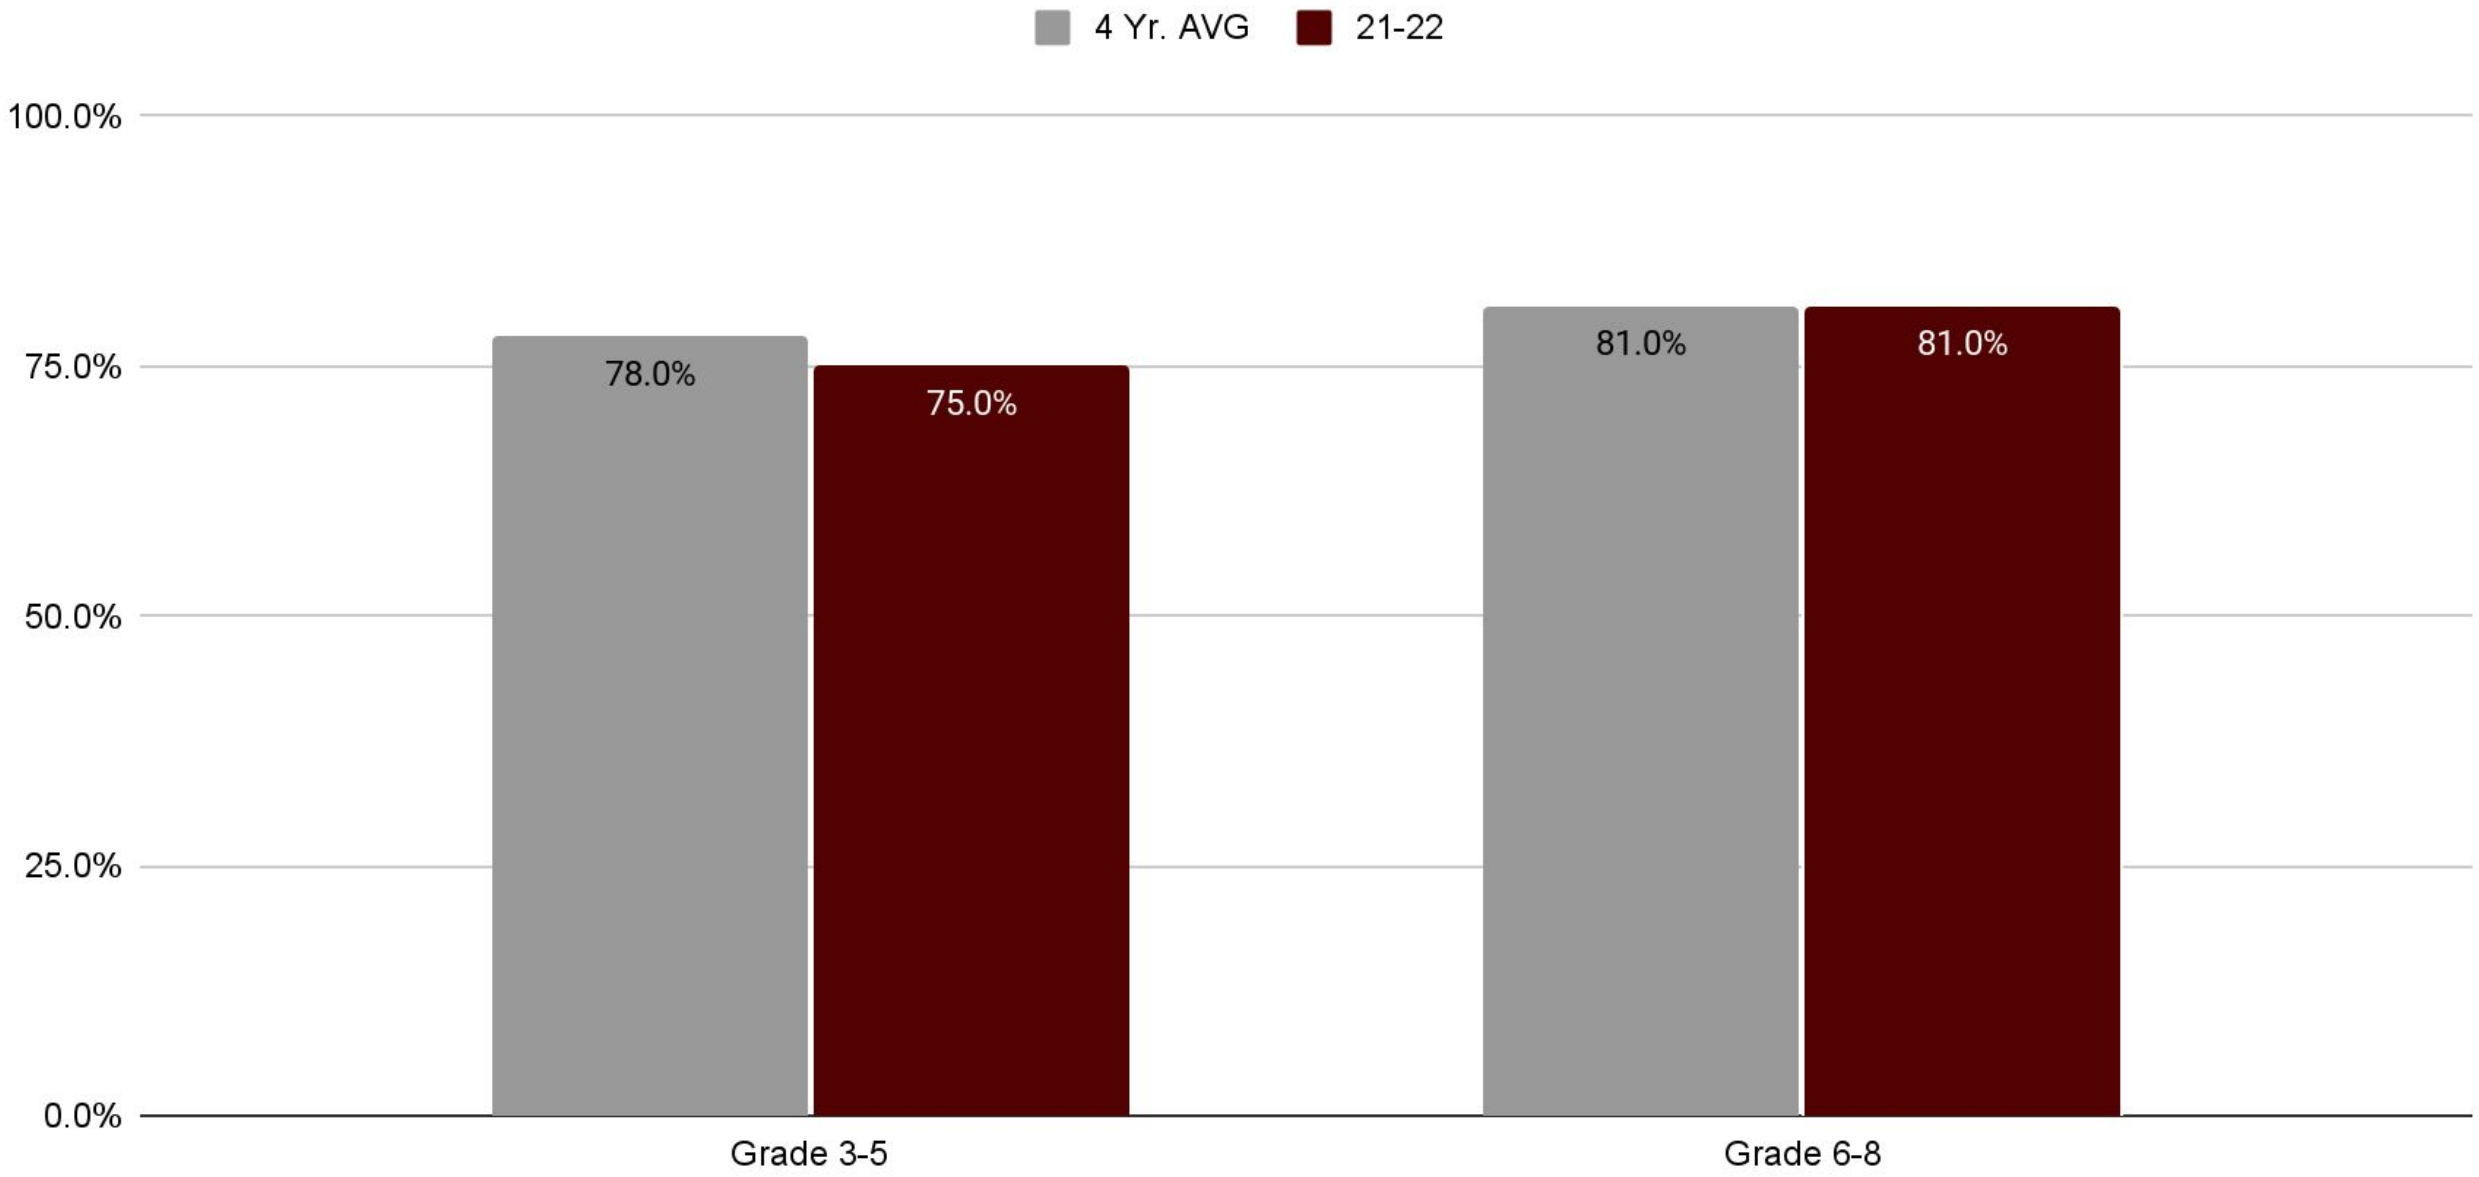
% of students who Met or Exceeded Expectations in English Language Arts MS and HS



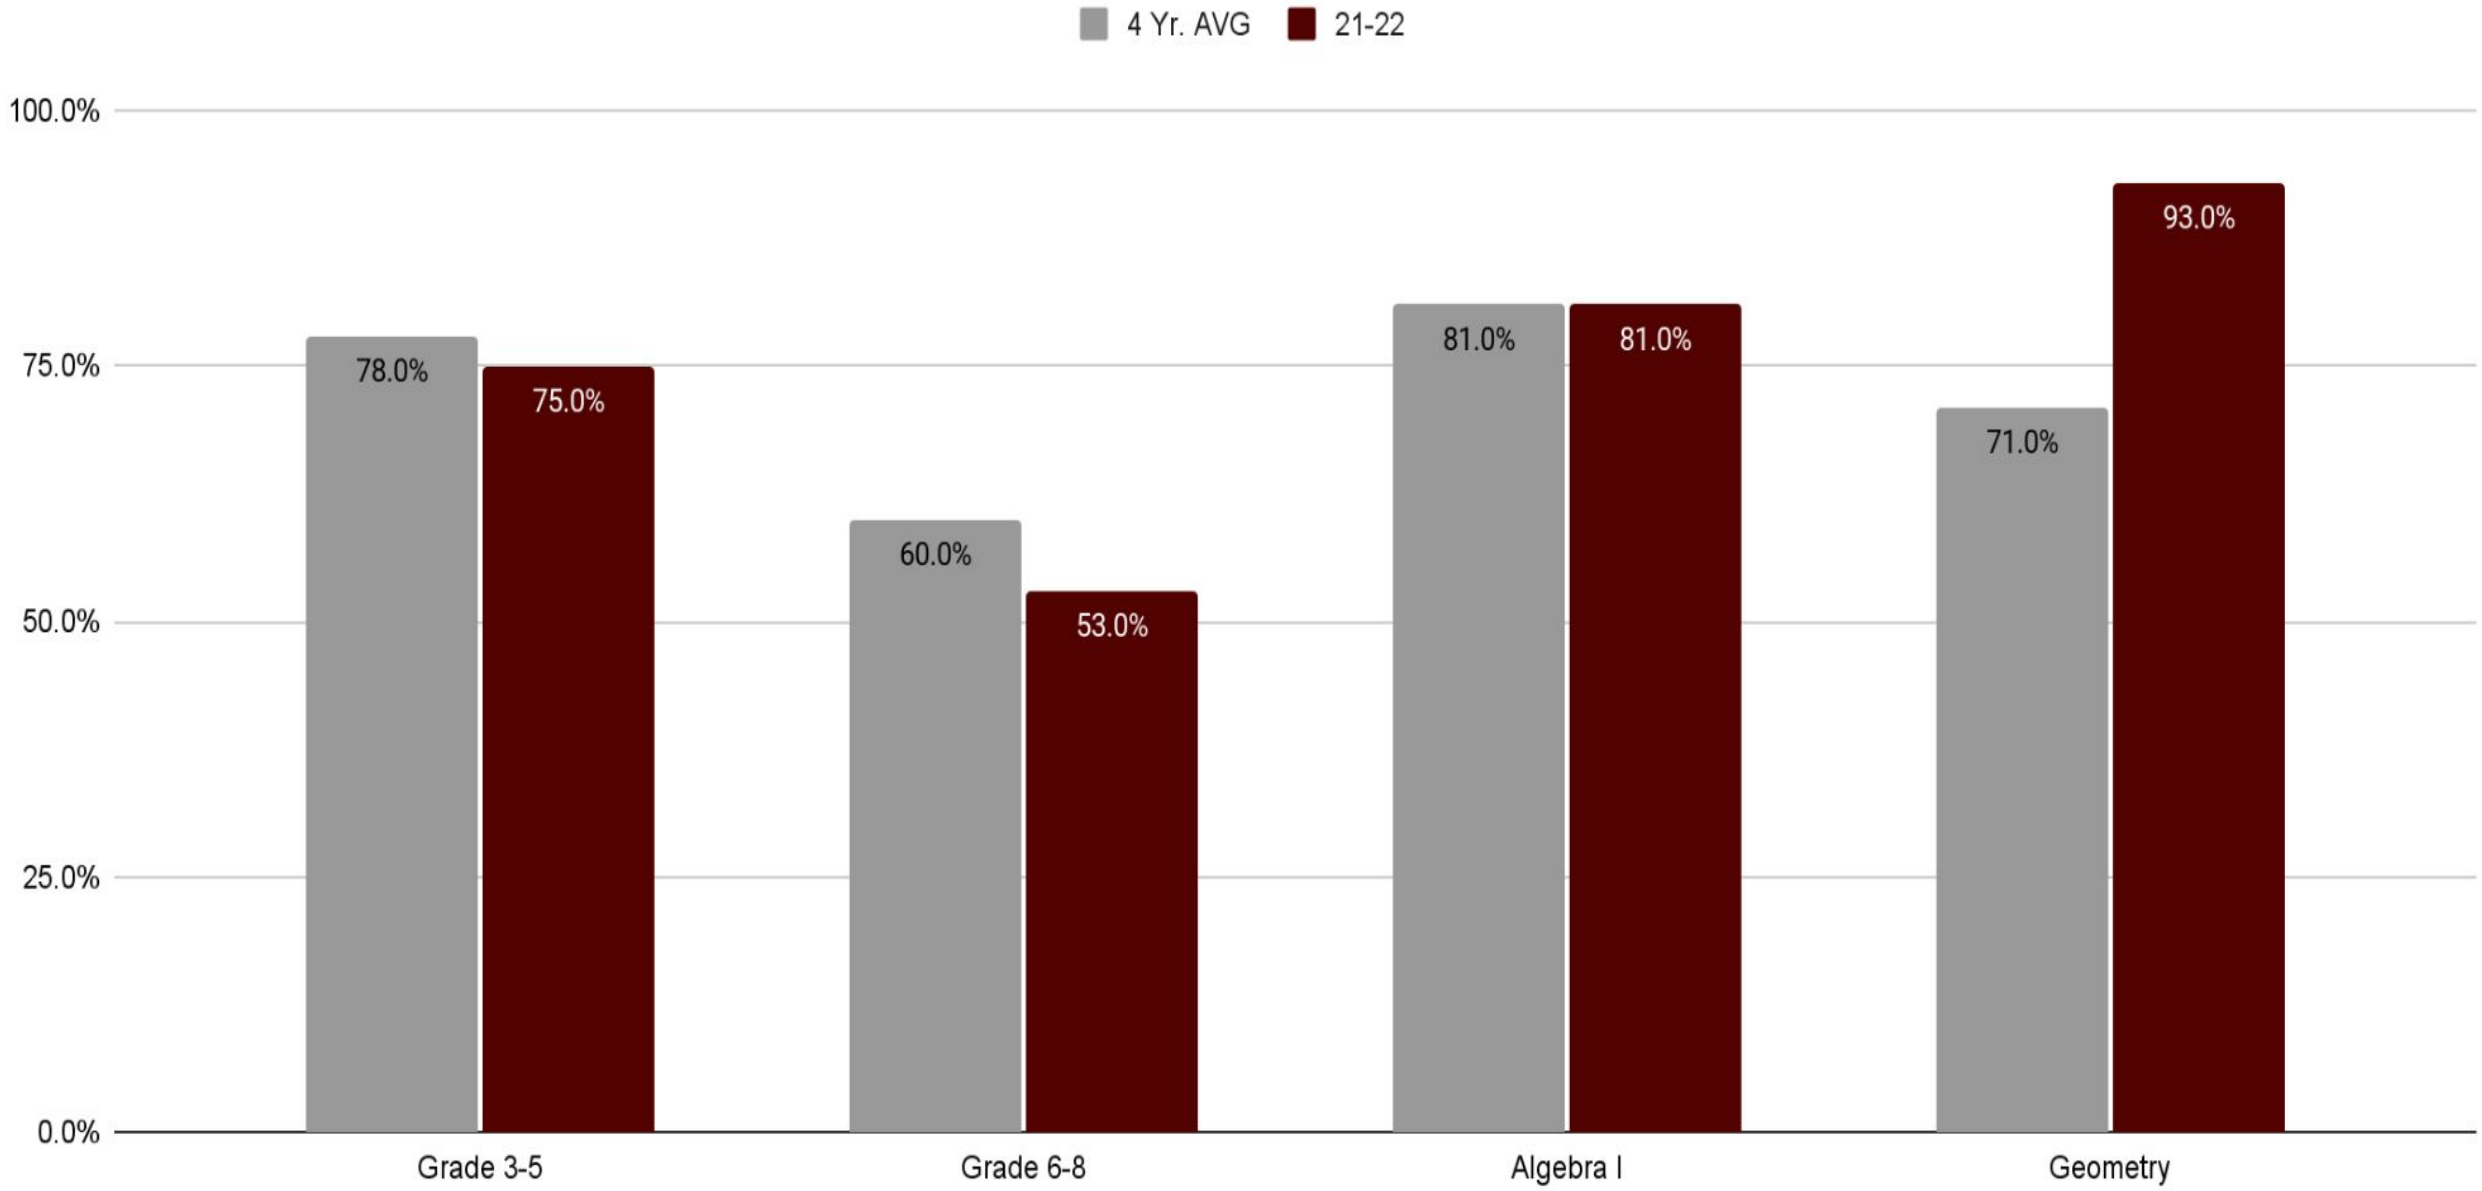
% of students who Met or Exceeded Expectations in Mathematics MS and HS



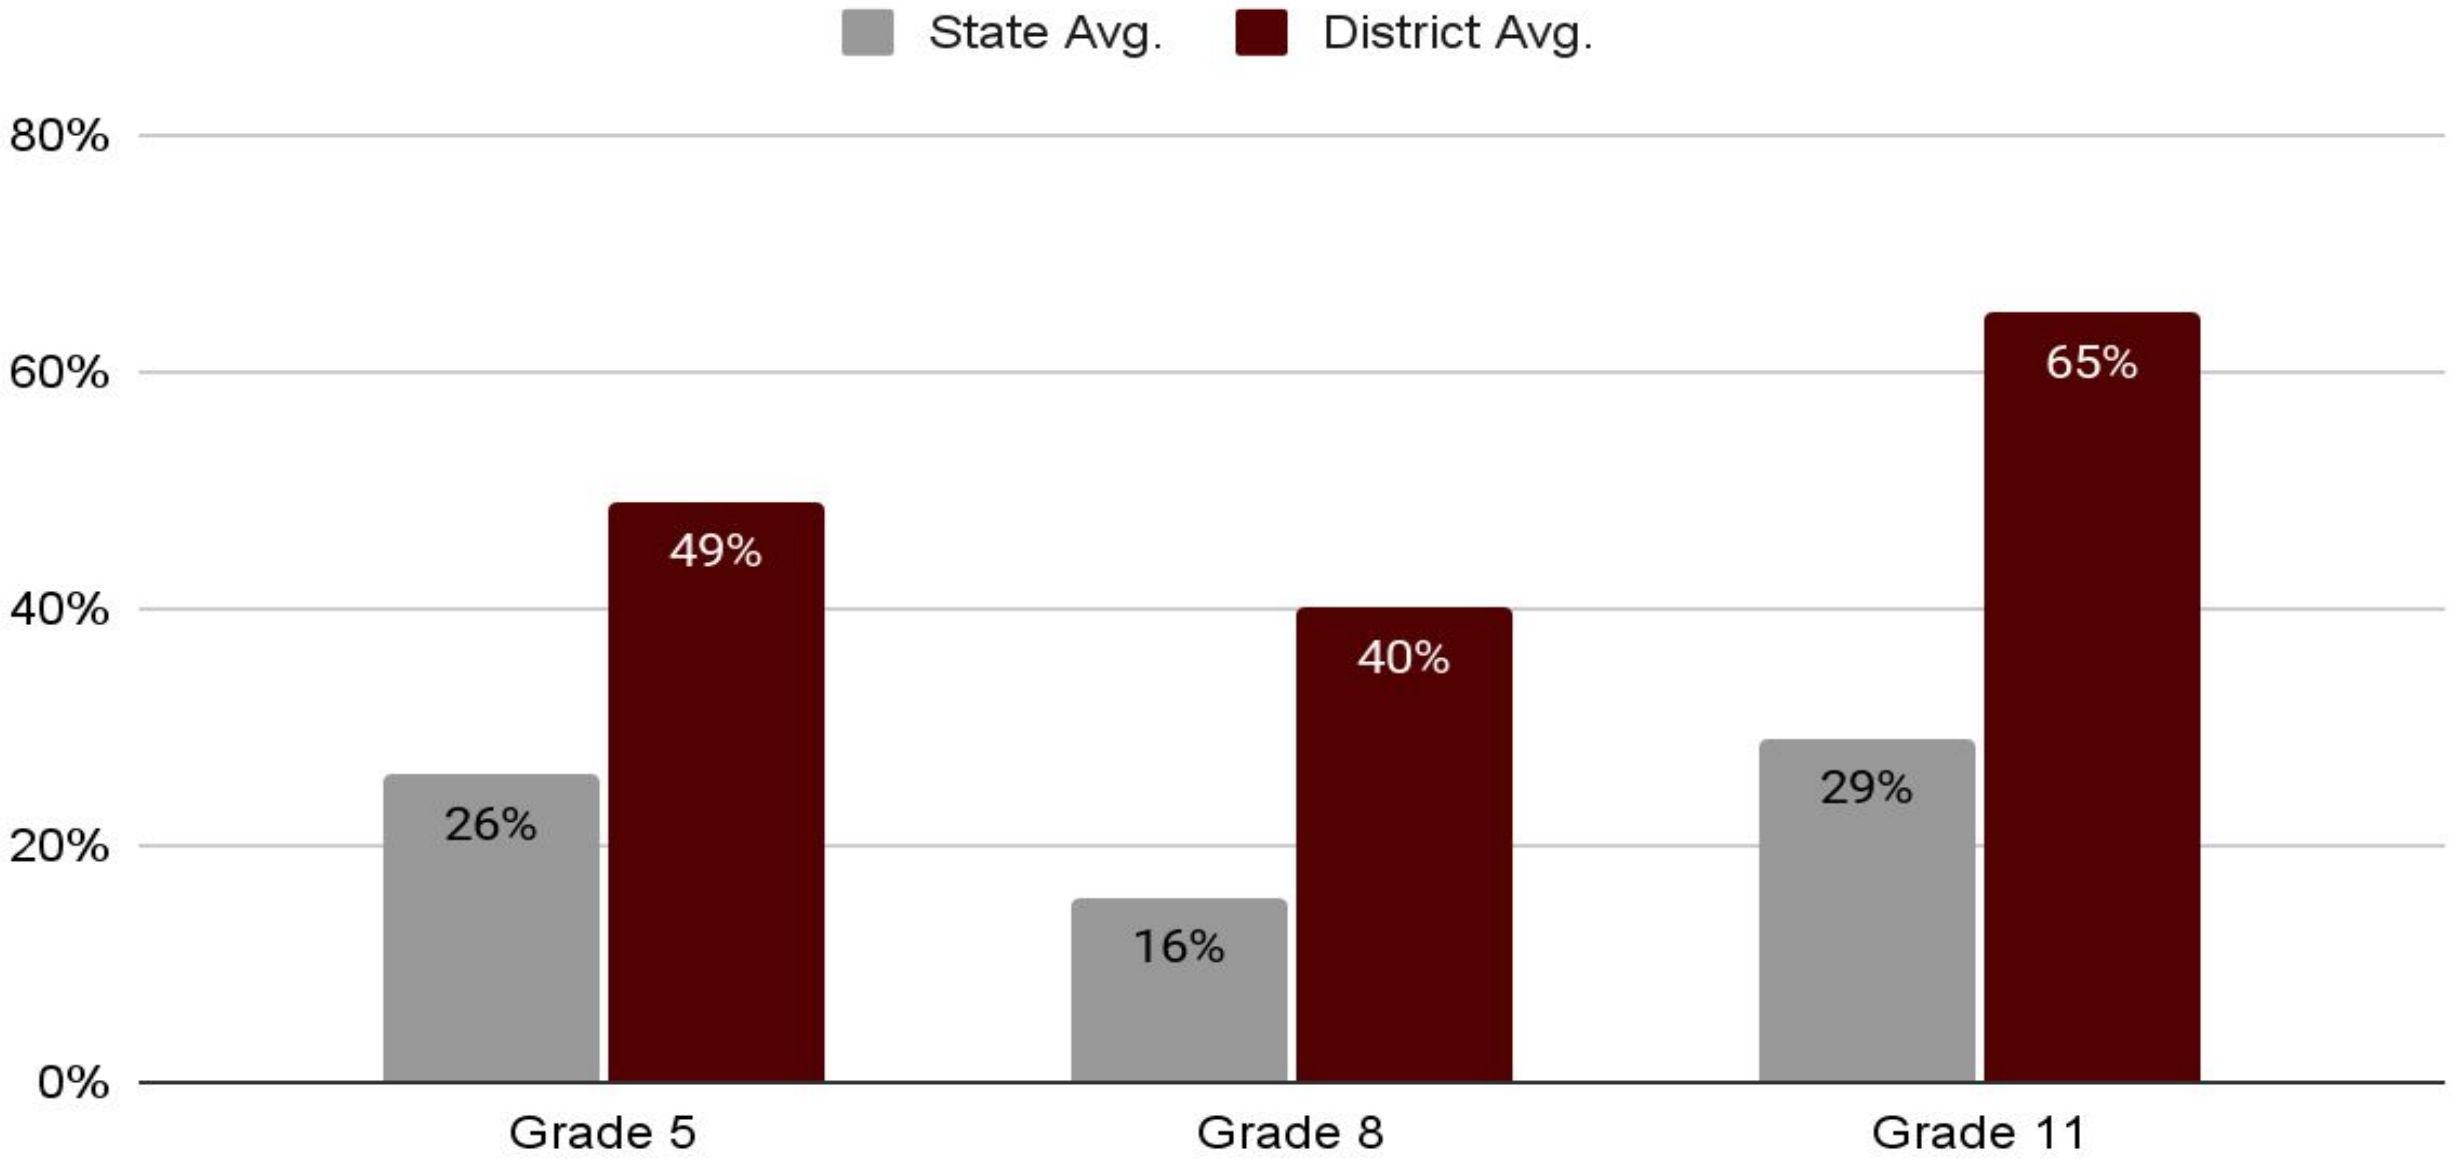
% of Students who met or exceeded expectations ELA 3-8



% of Students who met or exceeded expectations Math 3-HS



Met or Exceeded Expectations Science Grades 5, 8, 11



2022-23 Instructional Plan

- School based Data Teams are analyzing Evidence Statement reports and grade level assessment data.
- Instructional Coaches are working with administrators and teachers with a lens on the curricula needs per school
- Teachers are delivering targeted and informed instruction.
- Use of i-Ready personalized instructional plans based upon diagnostic assessment.
- Provide differentiated support based on student need.

ACCESS for ELLs 2.0

- Is administered to Kindergarten through Grade 12 students who have been identified as English language learners (ELLs)
- Is given annually to monitor students' progress in learning academic English
- Meets U.S. federal requirements of the Every Student Succeeds Act (ESSA) for monitoring and reporting ELLs' progress toward English language proficiency
- Is anchored in the WIDA English Language Development Standards
- Assesses the four language domains of Listening, Speaking, Reading and Writing
- Measures students in Oral Language, Literacy, and Comprehension
- Required score of 4.5 to exit the program
