

Summit Public Schools
Summit, New Jersey
Grade Level: 6 / Content Area: Art

Overview: This course is an introductory to middle school level art experience through hands-on learning of mediums and techniques in response to artistic cultures around the world. This class aims to give students a broader scope of diverse artistic meanings and artistic designs. Students study the elements of line, shape, form, color, texture, space and principles of design - the rules that govern how the elements are organized in a composition. This course includes a variety of media in order to make connections to art history, cultures and artists and provides a vocabulary and foundation for students to discuss and evaluate their own, along with peers' work, in a supportive atmosphere. Students will also receive introductory lessons that incorporate the tools of digital design and media.

Unit 1: CREATING

Anchor Standard 1: Generate and conceptualize artistic ideas and work.

Anchor Standard 2: Organize and develop artistic ideas and work.

Big Ideas: *Course Objectives/ Content Statement(s)*

Active participation in the arts leads to a comprehensive understanding of the imaginative and creative process.

Essential Questions

What provocative questions will foster inquiry, understanding, and transfer of learning?

How does art record and communicate the human experience?

How do objects, places and designs shape the lives of communities?

How does art help us understand other subjects, themes, areas of interest?

What conditions, attitudes, and behaviors support creativity and innovative thinking?

How do artists maintain and use materials, tools and equipment?

Enduring Understandings

What will students understand about the big ideas?

Art is a universal language.

Visual communication through art crosses cultural and language barriers throughout time.

The study of masterworks of art from diverse cultures and different historical eras assists in understanding specific cultures.

Creativity and innovative thinking are essential life skills that can be developed.

Areas of Focus: Proficiencies (New Jersey Student Learning Standards)

Students will:

1.5.8.Cr1a. Conceptualize early stages of the creative process, including applying methods to overcome creative blocks or take creative risks, and document the processes in traditional or new media.

1.5.8.Cr1b. Develop criteria, identify goals and collaboratively investigate an aspect of present-day life,

Lessons /Instructional Focus

- Experiment with different art materials and techniques to create original artworks.
- Demonstrate the creative process by journaling different ideas and pathways of arriving at the finished project.
- Connecting ideas and influences in design from art history and different cultures.
- Use inquiry and curiosity to invent original works trying new ideas, materials, methods, and approaches in making works of art and design.

<p>using contemporary practice of art or design.</p> <p>1.5.8.Cr2a. Demonstrate persistence and willingness to experiment and take risks during the artistic process.</p> <p>1.5.8.Cr2b. Demonstrate an awareness of ethical responsibility as applied to artmaking including environmental implications, responsibility in sharing images online, appropriation, and intellectual property ethics.</p> <p>1.5.8.Cr2c. Apply, organize, and strategize methods for design and redesign of objects, places, systems, images and words to clearly communicate information to a diverse audience.</p> <p>Career-Ready Practices CRP1: Act as a responsible and contributing citizen and employee. CRP2: Apply appropriate academic and technical skills. CRP3: Attend to personal health and financial well-being. CRP4: Communicate clearly and effectively and with reason. CRP5: Consider the environmental, social and economic impacts of decisions. CRP6: Demonstrate creativity and innovation. CRP7: Employ valid and reliable research strategies. CRP8: Utilize critical thinking to make sense of problems and persevere in solving them. CRP9: Model integrity, ethical leadership and effective management. CRP10: Plan education and career paths aligned to personal goals. CRP11: Use technology to enhance productivity. CRP12: Work productively in teams while using cultural global competence.</p>	<ul style="list-style-type: none"> ● Implications of conservation, care, and clean-up of art materials, tools and equipment. ● Design using two dimensional and three dimensional work.

using original and personal ideas.

- Repurposing and recycling materials for the use of invention and creativity.
- Increase of vocabulary by using descriptive art terms.

Technology Integration

- Experience with Adobe Photoshop to create a school or personal logo design which integrates the elements of color, line, space, value, shape, and texture.
- Digital websites for integration of animation projects and digital art: www.wickeditor.com, www.pixilart.com, www.kleki.com.
- Group drawing with Google Draw.
- Create a GIF or animation to represent or convey a message (ex. No Name Calling Week, Autism Awareness, Anti-Bullying Awareness, etc.)

Media Literacy Integration

- Discussion of sourcing images for use in digital artwork, copyright, public domain, and fair use
- Use of online resources for copyright free material
- Discussion of how the media digitally alters media using digital art programs

Global Perspectives

- Trades in society's marketing economy.
- Exploring different cultures and their art.
- How specific regions of the world contribute to artistic and cultural achievements.

Unit 2: RESPONDING

Anchor Standard 7: Perceive and analyze artistic work.

Anchor Standard 8: Interpret intent and meaning in artistic work.

Big Ideas: *Course Objectives/ Content Statement(s)*

All students will understand and analyze the role, development and continuing influence of the arts in relation to world cultures, history, and society.

Essential Questions

What provocative questions will foster inquiry, understanding, and transfer of learning?

How has art changed through time? How does art reflect human culture? How do life experiences influence the way you relate to art?

Does culture influence art or does art influence the culture?

Enduring Understandings

What will students understand about the big ideas?

Tracing the history of visual art in world cultures provides insight into the lives of people and their values. The arts reflect cultural morals and personal aesthetics throughout the ages.

People gain insights into the meaning of artworks by engaging in the process of art criticism.

Visual imagery influences understanding of and responses to the world.

Areas of Focus: Proficiencies

(New Jersey Student Learning Standards)

Students will:

1.5.8.Re7a. Explain how a person's aesthetic choices are influenced by culture and environment, and impact how visual messages are perceived and conveyed.

1.5.8.Re7b. Compare and contrast cultural and social contexts of visual arts and how they influence ideas and emotions.

1.5.8.Rea. Interpret art by analyzing how the interaction of subject matter, characteristics of form and structure, use of media, art making approaches, and relevant contextual information contributes to understanding messages or ideas and mood conveyed.

Lessons /Instructional Focus

- Recognize, explore, and demonstrate through various means the influences of historical time periods, cultures, and styles on works of art (e.g., realism, impressionism, post-impressionism, expressionism).
- Identify, use, and interpret important works of art and their artists.
- Create artwork with the characteristics of a particular culture, period of time, style method or artist.
- Recognize that chronology exists in all art forms.
- Respond to works of art and analyze responses in terms of cultural and visual meaning.
- Describe the manner in which the belief systems of a viewer may influence contemplation of works of art.

<p>1.5.8.Re9a. Create a convincing and logical argument to support an evaluation of art. Explain the difference between personal and established criteria for evaluating artwork.</p> <p>Career-Ready Practices</p> <p>CRP1: Act as a responsible and contributing citizen and employee.</p> <p>CRP2: Apply appropriate academic and technical skills.</p> <p>CRP3: Attend to personal health and financial well-being.</p> <p>CRP4: Communicate clearly and effectively and with reason.</p> <p>CRP5: Consider the environmental, social and economic impacts of decisions.</p> <p>CRP6: Demonstrate creativity and innovation.</p> <p>CRP7: Employ valid and reliable research strategies.</p> <p>CRP8: Utilize critical thinking to make sense of problems and persevere in solving them.</p> <p>CRP9: Model integrity, ethical leadership and effective management.</p> <p>CRP10: Plan education and career paths aligned to personal goals.</p> <p>CRP11: Use technology to enhance productivity.</p> <p>CRP12: Work productively in teams while using cultural global competence.</p>	<ul style="list-style-type: none"> ● Explain orally and in writing the means by which visual art evokes sensory and emotional responses. ● Appreciate works of art that pertain to different art styles and genres.

Unit 3: CONNECTING

Anchor Standard 10: Synthesize and relate knowledge and personal experiences to make art.

Anchor Standard 11: Relate artistic ideas and works with societal, cultural and historical context to deepen understanding.

Big Ideas: *Course Objectives/ Content Statement(s)*

Creating and analyzing art leads to a connection to different ideas, beliefs, and experiences.

Essential Questions

What provocative questions will foster inquiry, understanding, and transfer of learning?

How does making art attune people to their surroundings?

How do people contribute to awareness and understanding of their lives of their communities through art-making?

How is art used to impact the views of a society?

In what ways does engaging in creating artworks enrich people's lives?

Enduring Understandings

What will students understand about the big ideas?

The creation of art is driven by the principles of balance, harmony, unity, emphasis, proportion, and rhythm/movement.

Themes in art are often communicated through symbolism, allegory, or irony. There are a wide variety of art mediums, each having appropriate tools and processes for the production of artwork.

Universal themes exist in art across historical eras and cultures. Art may embrace multiple solutions to a problem.

People develop ideas and understanding of society through their interactions with and analysis of art.

Areas of Focus: Proficiencies (New Jersey Student Learning Standards)

Students will:

1.5.8.Re7a. Generate ideas to make art individually or collaboratively to positively reflect a group's identity.

1.5.8.Cn11a. Analyze and contrast how art forms are used to represent, establish, reinforce and reflect group identity and culture.

Lessons /Instructional Focus

- To convey emphasis in a work of art.
- Recognize how artists use art elements and principles in a work of art.
- Responding to artistic processes by adding meaning to their work.

<p>1.5.8.Cn11b. Analyze and contrast how art forms are used to reflect global issues, including climate change.</p> <p>Career-Ready Practices</p> <p>CRP1: Act as a responsible and contributing citizen and employee.</p> <p>CRP2: Apply appropriate academic and technical skills.</p> <p>CRP3: Attend to personal health and financial well-being.</p> <p>CRP4: Communicate clearly and effectively and with reason.</p> <p>CRP5: Consider the environmental, social and economic impacts of decisions.</p> <p>CRP6: Demonstrate creativity and innovation.</p> <p>CRP7: Employ valid and reliable research strategies.</p> <p>CRP8: Utilize critical thinking to make sense of problems and persevere in solving them.</p> <p>CRP9: Model integrity, ethical leadership and effective management.</p> <p>CRP10: Plan education and career paths aligned to personal goals.</p> <p>CRP11: Use technology to enhance productivity.</p> <p>CRP12: Work productively in teams while using cultural global competence.</p>

Unit 4: PRESENTING

Anchor Standard 4: Select, Analyze, and interpret artistic works for presentation.

Anchor Standard 5: Develop and refine artistic techniques for presentation

Anchor Standard 6: Convey meaning through presentation of artistic work

Big Ideas: *Course Objectives/ Content Statement(s)*

Through the critical process, students formulate judgments regarding artistic and aesthetic merits of an artwork.

Essential Questions

What provocative questions will foster inquiry, understanding, and transfer of learning?

When is art criticism vital and when is it beside the point?

How do artists' backgrounds influence the aesthetic and artistic choices they make?

What formal art elements should we consider important to do a formal art critique?

What methods and processes are considered when preparing artwork for presentation or preservation?

Enduring Understandings

What will students understand about the big ideas?

Assessing a work of art without critiquing the artist requires objectivity and an understanding of the work's content and form.

Visual fluency is the ability to differentiate between formal and informal structures and objectively apply observable criteria to the assessment of artworks, without consideration of the artist.

Universal elements of art and principles of design apply equally to artwork across cultures and historical eras.

Artists and other presenters consider various techniques, methods, venues and criteria when analyzing various artworks.

Areas of Focus: Proficiencies (New Jersey Student Learning Standards)

Students will:

1.5.8.CPr4a. Investigate and analyze ways artwork is presented, preserved, and experienced, including use of evolving technology. Evaluate a collection or presentation based on this criterion.

1.5.8.CPr5a. Individually or collaboratively prepare and present theme-based artwork for display and formulate

Lessons /Instructional Focus

- Discuss the ways that art can be persuasive.
- Discuss the elements of art, the principles of design, art techniques, and art media as they influence meaning in works of two-dimensional and three-dimensional art.
- Demonstrate inquiry skills and appropriate art vocabulary for:
 1. Describing works of art;
 2. Responding to works of art;
 3. Interpreting works of art; and
