Summit Public Schools  
Summit, New Jersey  
Grade Level: 9th to 12th grade  
Content Area: Mandarin Chinese 2  
Length of Course: One Full Year

Curriculum

Course Description:
This course is designed for students who successfully completed Chinese 1. Instruction is organized in thematic units including activity and assessment of each unit based on the three modes of communication: interpretive, interpersonal and presentational. Students will continue to develop their Chinese language fluency in listening, speaking, reading and writing. Students will learn to exchange general information and to express their ideas in learned sentence patterns. Students will also be exposed to Chinese cultural perspectives which they compare and contrast with their background culture. Student learning will be evaluated by a variety of formative and summative assessments, including homework, pair/group work, class assignment, character writing quiz, the unit test and project presentation.

(Revised August 2019)
- How do you properly tell time and identify the mode of transportation in a simple sentence?
- How can you say two nouns in comparative degree in a sentence pattern?

- In Chinese language, the longer duration of time such as morning goes before the specific time such as 7 o’clock.
- Chinese people mention time before the verb.
- 比 is the key word of comparison sentences. The structure is subject 1 + 比 + subject 2 + adjective.
