The second half of our holiday weekend was absolutely beautiful--and the weather has our minds on summer. Summer is certainly around the corner! Note that the last day of school, Monday June 13 is a Single Session Day. There are various end of year events and celebrations scheduled over the next couple of weeks. Your child(ren)'s teacher(s) will communicate more specifics and details. Keep an eye out for flyers, emails, and invitations!

RE: END OF YEAR MEDICATION RETURN

Dear Parent/Guardians

It is hard to believe that June is here! If your child has any medical supplies or prescription medications currently held in the health office, please come to the school on **Friday, June 10th or Monday June 13th, during school hours** to pick up any medication or medical supplies currently on site. Please call ahead to arrange for a pick up time. **Medication that is not picked up by 12:30pm on June 13th will be discarded at the end of the school day. Please note:**

- Medications can not be picked up during the car line (JPC/WPC)
- Medication forms for next school year (2022-2023) can be accessed at:

  https://www.summit.k12.nj.us/departments/health-services/medical-forms
- If your child will require medication during the school year please have your child's health care provider complete the necessary forms prior to the beginning of next school but no earlier than July. All medication **MUST** be delivered to the School Nurse by the Parent, **DO NOT** send any medications with the student. **ALL medication (even over the counter)** requires a written doctor's order (Medication Administration Form) for it to be dispensed by the school nurse (SBOE Policy#5330)

Should you have any further questions or concerns or you need to arrange an alternate date/time to pick up medications, please feel free to call or email me bmendez@summit.k12.nj.us.

Thank you. Have a happy and healthy summer!

RE: DEVOLUCIÓN DE MEDICAMENTOS DE FIN DE AÑO

Estimados padres/tutores
¡Es difícil creer que junio está aquí! Si su hijo/a tiene suministros médicos o medicamentos recetados actualmente en la oficina de salud, por favor venga a la escuela el **viernes 10 de junio o el lunes 13 de junio**, durante el horario escolar para recoger cualquier medicamento o suministros médicos actualmente en el sitio. Por favor, llame antes para concertar la hora de recogida. **Los medicamentos que no se recojan antes de las 12:30 pm del 13 de junio serán desechados al final del día escolar.** Por favor, tenga en cuenta:

- Los medicamentos no pueden ser recogidos durante la fila de autos (JPC/WPC)
- Los formularios de medicación para el próximo año escolar (2022-2023) se pueden acceder en: https://www.summit.k12.nj.us/departments/health-services/medical-forms
- Si su hijo/a va a requerir medicación durante el año escolar, por favor haga que el proveedor de atención médica de su hijo/a complete los formularios necesarios antes del comienzo de la próxima escuela, pero no antes de julio. Todos los medicamentos **DEBEN** ser entregados a la enfermera de la escuela por los padres, **NO envíe ningún medicamento con el estudiante. TODOS los medicamentos (incluso los de venta libre)** requieren una orden escrita del médico (Formulario de Administración de Medicamentos) para que sean dispensados por la enfermera de la escuela (Política SBOE#5330)

Si tiene alguna otra pregunta o inquietud, o si necesita concertar una fecha/hora alternativa para recoger los medicamentos, no dude en llamarme o enviarme un correo electrónico a bmendez@summit.k12.nj.us.

Gracias. ¡Que tenga un verano feliz y saludable!
