# Freshman Mathematics at SHS

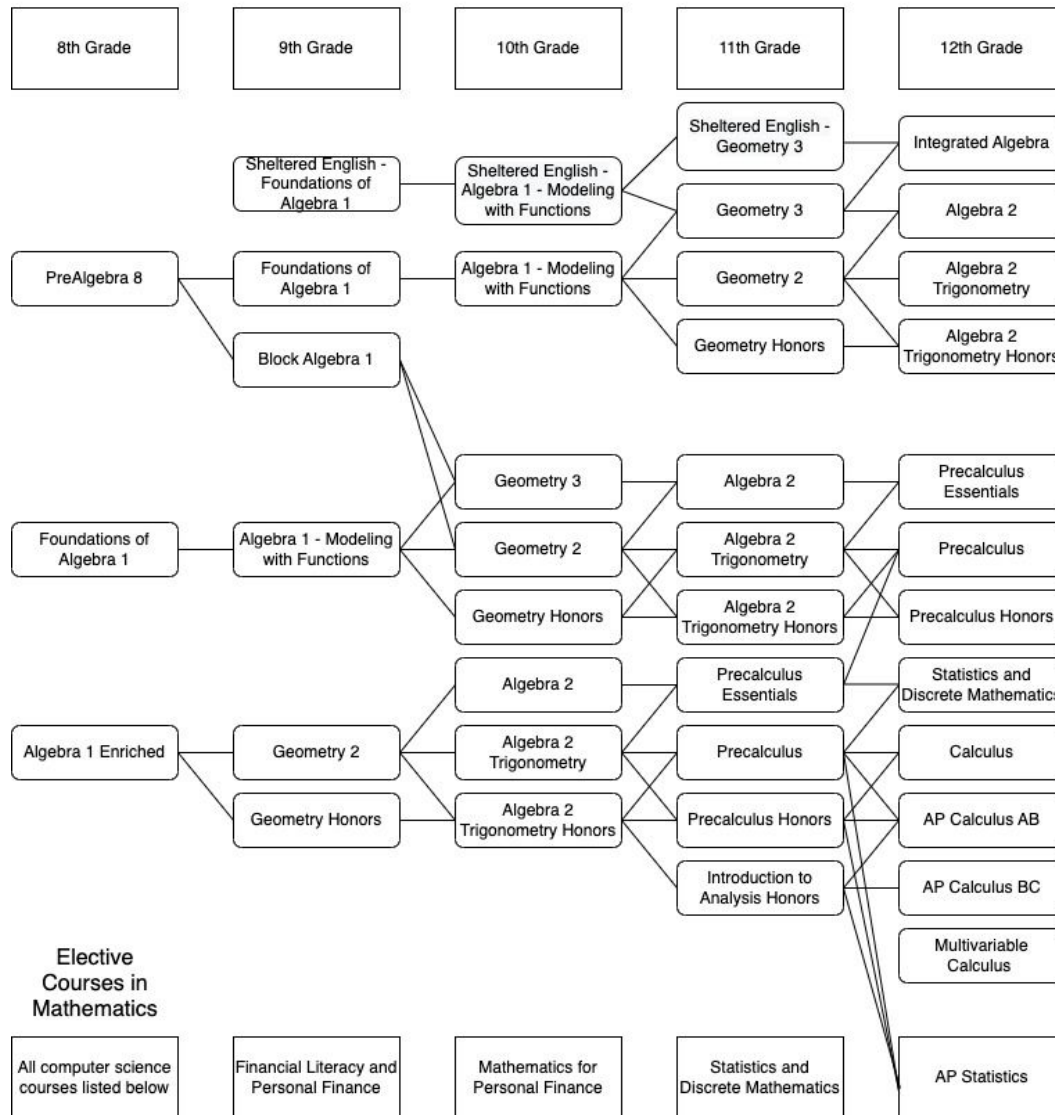

- \*Dedicated math teachers offering before school or lunch help. Math help center is another resource Periods 1-8.
- \*We want students to develop confidence, independent thinking, problem solving, and appreciate the real-world applications of mathematics.
- \*9th graders start with Geometry or part of the Algebra sequence. It's a data-driven process to ensure they are appropriately challenged.
- \*Flexibility and opportunities for access to honors levels. Doing well in 9th grade (earning A's) opens up opportunities in 10th grade.

in 10th.
