

Program Advertisement Order Form

The Summit High School Athletic Hall of Fame has provided over \$20,000 in scholarships to deserving student-athletes, thanks to support from our sponsors and advertisers. By purchasing an ad in our Banquet Program, you can help us continue and improve upon this accomplishment. Our initial induction banquet was attended by a sell-out crowd of 300, and we anticipate the same level of excitement and community involvement in the next round of inductions into the Summit High School Athletic Hall of Fame.

Thank you for participating in this exciting event!
